

ExactBins.com Purchase Agreement

About ExactBins.com and BIN/IIN Numbers Database

ExactBins.com provides merchant solutions for reducing credit card losses, and offers law enforcement agency support for Bank Identification Number information. Our regularly updated database of over 300,000 6 digit and over 800,000 7–9-digit BIN/INN records from over 12,000 banks is compiled from authoritative and recognized sources not generally available to the public. The database records are provided by merchants who process credit card payments and by banks and other financial institutions. The database is the property of ExactBins.com company, and is available for purchase under the terms and conditions contained in this contract.

Businesses and organizations use the ExactBins.com database to verify customer information and to help prevent credit card fraud.

Terms of Licensing

Commercial License - \$1500US

The Site License grants to the Buyer the right to create a product and/or service for sale to the public under the following terms:

Buyer may store and use a single copy of the database for a single computer. Multiple users may access the database on either a single computer or through a local or online network, and Buyer is authorized to incorporate the purchased BIN database into Buyer's existing database.

Buyer may access the purchased database on multiple computers by purchasing a site license. Each additional PC adds \$300 to the price regardless of the license type.

Buyer is authorized to create and sell a product and/or service using the database information, and buyer may also create derivative products (such as a fraud prevention service) from the purchased BIN database.

ExactBins.com will provide free database updates to Buyer for one (1) year following database purchase.

Full Extended License - \$2900US

The Full Extended License includes all the features of Commercial License and grants to the Buyer the right to create a product and/or service for sale to the public under the following terms:

Buyer gains access to an Extended BIN database (7-9 digits). Buyer may store and use a single copy of the database for a single computer. Multiple users may access the database on either a single computer or through a local or online network, and Buyer is authorized to incorporate the purchased BIN database into Buyer's existing database.

Buyer may access the purchased database on multiple computers by purchasing a Full Extended License. Each additional PC adds \$300 to the price regardless of the license type.

Buyer is authorized to create and sell a product and/or service using the database information, and buyer may also create derivative products (such as a fraud prevention service) from the purchased BIN database.

ExactBins.com will provide free database updates to Buyer for two (2) years following database purchase.

Buyer is not authorized to resell, give away, or publish the database in its original format in any form for any purpose, nor is Buyer authorized to create or offer free BIN lookup services using the ExactBins.com BIN database. Buyer may direct any questions to us at contact@ExactBins.com

Terms of Service – Accuracy & Updates

ExactBins.com warrants, and Buyer understands, that the accuracy of the BIN database exceeds 99 percent. ExactBins.com works continuously to update and maintain accurate and timely records. *Buyer understands and agrees that 100 percent accuracy of a BIN database is a goal but cannot be guaranteed.*

Because there exists no 100 percent full compilation of BIN numbers, ExactBins.com cannot guarantee 100 percent possible coverage. **It's important to ExactBins.com to provide Buyers with the most accurate possible database, but Buyer understands and agrees that 100 percent accuracy is not possible.**

Terms of Delivery

The ExactBins.com BIN database is provided in a semicolon-delimited format accessible with a text editor program or spreadsheet software. The database is ISO compliant and features four additional ISO parameters included in each record: country name, country codes A2 and A3, and country number.

ExactBins.com sells rights to its BIN database and provides the data contained therein in the form of a .zip file delivered as an email attachment -- usually within 24 hours. For security reasons, ExactBins.com does not offer the database in downloadable format from its website, nor is online access to our database provided.

Database delivery package includes database in CSV format.

Other Terms and Conditions

REFUNDS and PARTIAL PURCHASES: ExactBins.com does not offer a refund after purchase. Buyer can thoroughly test the database online prior to purchase, and ExactBins.com strongly encourages use of the online demo along with Buyer requests for up to 100 free search queries. ExactBins.com does offer partial purchases; only the complete database is available to Buyers for purchase.

UPDATES: ExactBins.com provides database updates free of charge for 24 months. Updates after this 24-month period are available on request for an annual fee of \$300 or \$450. All updates are sent as email attachments and are easily incorporated into Buyer's existing database records. Buyer may direct any questions to us at contact@ExactBins.com

ExactBins.com Terms of Service

A Buyer who uses the ExactBins.com website or purchases products or service agrees to comply with and be legally bound by the ExactBins.com Terms of Service. This Agreement constitutes the only agreement between ExactBins.com and Buyer. Any future amendments or updates to this Agreement shall be in writing and become a part

of this Agreement between both parties. ExactBins.com reserves the right to make changes to this Agreement or to its policies and terms of use, and Buyer shall be notified in writing and/or email of any such changes. Any changes to policies or terms of use shall be posted on the ExactBins.com website; it is Buyer's responsibility to be aware of and take note of any such future changes or updates.

Copyright

All content on the ExactBins.com website is protected under international copyright law, including trademarks and other proprietary rights. Any copying, re-use, modification, redistribution, use or publication by Buyer of any portion of the ExactBins.com website is strictly prohibited unless permission is granted in advance in writing by ExactBins.com management.

Buyer understands and agrees that no ownership of any content or materials on the website or contained within the ExactBins.com database(s) is granted to Buyer. Purchasing rights to the ExactBins.com database grants to the Buyer the right to use the database as per terms of the license purchased. In the case of information that is the copyrighted work of third parties, which may be provided to Buyer after purchase of the database, any such rights shall be reserved by those third parties accordingly.

Refund Policy

Because of the non-tangible nature of ExactBins.com products and their electronic distribution, refunds after purchase are not offered. Buyer agrees that any perceived problems or issues with database shall be immediately brought to the attention of ExactBins.com customer support. Refunds for errors or omissions of data in the ExactBins.com database are not offered; Buyer understands that there exists no 100 percent full compilation of BIN numbers, and therefore ExactBins.com cannot guarantee 100 percent accuracy.

Limited License, Permitted Uses

On purchase of the ExactBins.com database, Buyer is granted a nontransferable, nonexclusive, revocable license to access and use the website and/or database in accordance with this Agreement. Buyer may use the free online demonstration to query the database up to ten times in one 24-hour period.

Restrictions and Prohibitions of Use

Buyer's license for access to the ExactBins.com website, along with access to materials, products and/or services provided through the website, are subject to the following restrictions and prohibitions.

Buyer is not authorized to and agrees not to:

- Copy, print, republish, display, transmit, sell, rent, lease, loan or make available in any other way any portion of the ExactBins.com website and/or its products and services except as authorized in advance by ExactBins.com in writing.
- Use the website or any products and/or services for commercial distribution of any kind.
- Use the website or any products and/or services for illegal purposes of any kind.

Limits of Liability

ExactBins.com makes no representations nor warranties of any kind that the services provided will be uninterrupted or error-free, and makes no warranties that the website or the hosting server is free from viruses or other forms of harmful code or programming. Buyer understands and agrees that ExactBins.com does not and cannot guarantee that the database is 100 percent accurate.

All database content and other information is provided "as is," with specific disclaimer of any warranties of merchantability, fitness for a particular purpose, title, or non-infringement. Under no circumstances shall ExactBins.com, its agents, or anyone involved in the creation, production, delivery, or updates of the website and/or database(s) be liable for any direct, indirect, incidental, or consequential damages resulting from Buyer's use of this website, any ExactBins.com products or services, or the products and/or services of any other linked company or website.

ExactBins.com's liability regarding products or services purchased directly from ExactBins.com is expressly limited to replacement of defective goods, or the repayment or crediting to Buyer of an amount equal to the purchase price of the goods.

Links to other websites from the ExactBins.com website do not imply endorsement of the company, products, or services available from such websites. Links to other websites are provided by ExactBins.com solely as a convenience to users.

Unlawful or Prohibited Use

Buyer agrees to not use the ExactBins.com website or its products and/or services for any purpose that is unlawful or prohibited in any location. Buyer further agrees to not use the website in any manner that could disable, damage, overburden, or impair any ExactBins.com website, or interfere with any other party's use of the website and/or ExactBins.com products or services. Buyer also agrees to not attempt to gain unauthorized access to any ExactBins.com material.

Privacy Policy

ExactBins.com uses information provided by Buyer to complete orders for products and/or services. ExactBins.com agrees to keep this information confidential and to not share this information with other parties, except to the extent necessary to complete orders for products and/or services.
